

COVID 19 POLICY **GREENLIGHT THEATRE COMPANY**

Greenlight Theatre Co. is currently open to the public, including our galleries, classes and camps, and theatre. We are requiring that all visitors wear a mask while in public spaces at Greenlight Theatre Co. This includes galleries, classrooms and studios, public hallways and lobbies, and inside our theatres during performances.

Proof of vaccination, a negative test, or mask are required for all indoor seated performances in our theatres.

Thank you for working with us to keep other visitors, staff, and volunteers healthy. With your cooperation, we can continue the arts programming we love.

If you have any questions or concerns, please reach out to greenlighttheatreco@gmail.com
